

PRESS RELEASE

EXTENSION OF DURATION FOR PARTICIPATION IN THE CAPITAL MARKETS UNIVERSITIES AND OTHER HIGHER LEARNING INSTITUTIONS CHALLENGE 2019

The Capital Markets Universities and Other Higher Learning Institutions Challenge (CMUHLIC) is a competition that is open to undergraduate scholars in universities and other higher learning institutions in Tanzania and is being run by the Capital Markets and Securities Authority (CMSA).

The CMUHLIC for 2019 was launched on 18th July 2019 and was expected to be closed on 6th October 2019.

The CMSA has received requests to extend the duration for participation in the challenge due to the fact that the challenge was opened when some of the students in universities were preparing for their final examinations while other universities were already closed. In this regard, the CMSA is pleased to inform students in universities and other higher learning institutions in Tanzania that the deadline for participation in the Capital Markets University Challenge has now been extended to 17th November 2019.
